

New Sponsor for BARSC Championships

For 2005 2006 BARSC welcome a new sponsor, the Base Camp group. Base Camp is an adventure training company that specialises in instructor and performance courses for winter sports and is now developing a specialist concept for schools.

Base group are offering a bursary of £250 for the best Junior male and Junior female racers together with other prizes and goodies.

BARSC is moving back to France after successful events in Alpbach. The 2006 Championships will take place in Les Menuires, between 02 - 06 January 2006 with the 1st Team Captains meeting on 01 January 2006.

The competition is open to all Junior and Children racers registered with the Home Nation Governing Bodies and will include international Junior FIS races as well as British Children's races. (Juniors need to register for a FIS or ghost FIS licence). There will be races for minis on two days.

The competition will take place on the excellent Olympic Stade, finishing virtually in the village. The new venue means that we can offer a super G again so in 2006 the competition will include Slalom, GS and Super G. The team Manager's meeting will be in resort on 1st January, Junior FIS races on 2nd, 3rd 4th and Children's races on 4th, 5th and 6th.

Check the BARSC web site for more details, www.barsc.net/2006champs.htm.
