

BARSC Championships 2007

Additional Sponsorship

The Race Organising Committee are pleased to announce a new partnership arrangement with Cotswold Outdoors. This partnership will directly benefit athletes entering the BARSC FIS, Children and Mini races to be held in les Menuires over New Year.

Each racer will be presented with a voucher entitling them to 20% reduction off normally stocked clothing and equipment in Cotswold Outdoor stores all over the country.

Cotswold Outdoor have 23 stores nationwide and an internet operation.

This voucher will directly benefit racers, for example a racer who purchases ski jacket and trousers, thermals and some leisurewear could easily save the race entry fee.

BARSC thank Cotswold Outdoor and their other major partner Base Camp Group. Representatives of both sponsors will be in les Menuires.
