FIS CODE OF CONDUCT

All competitors & coaches must abide at all times by the FIS code of conduct (on and off the piste). This ensures safety on the slopes and is governed by law. In short, the FIS Code of conduct says:

Respect – Do not endanger others.	Choice of route - The skier/snowboarder in front has priority - leave enough space.
Stopping - Only stop at the edge of the piste or where you can easily be seen.	Overtaking - Leave plenty of space when overtaking a slower skier/snowboarder.
Control - Adapt the manner and speed of your skiing to your ability and to the general conditions on the mountain.	Entering and starting – Look up and down the mountain each time before starting or entering a marked run.
Climbing - When climbing up or down, always keep to the side of the piste.	Signs - Obey all signs and markings - they are there for your safety.
Assistance - In case of accidents provide help and alert the rescue service.	Identification - All those involved in an accident, including witnesses, should exchange names and addresses.

All the above rules are binding by law and apply to both skiers and snowboarders
