

Child Protection Training at English Alpine Championships

Safeguarding & Protecting Children Course (3 hours)

Snowsport England has decided to run a Safeguarding & Protecting Children (SPC) Course during the English Alpine Championships in Bormio, Italy on 18th February 2009.

This is to try and make the course more accessible to the membership and we hope this makes it easier for people to attend. The course is essential for all house parents, managers and coaches. It is a requirement that all coaches should have attended a SPC training course by 2010.

The course is free to Snowsport England member Club Welfare officers and Event Welfare Officers. All other members of Snowsport England (ie coaches, tutors, instructors, volunteers) who would like to attend are very welcome and the cost will be £25.00

The course will be run in the afternoon/early evening and will be 3 hours long. The exact time and location will be confirmed in resort.

To book on this course, please complete and return the booking form, together with your payment if applicable. There will be a maximum of 20 places, and early booking is recommended

If you do have any questions then please contact Julie@snowsportengland.org.uk
