

British Interschools 8/9 March 2010

Final acceptance list

320 entries received by 1 March 2010

84 BASS event girls (children and juniors, born 1990 to 1998)

151 BASS event boys (children and juniors)

85 Minis (boys and girls born 1999 to 2002)

Please contact britskiacad@hotmail.com if any details are missing or incorrect.

The **BASS** Giant Slaloms for children and juniors will now be held on the top section of the Men's World Cup downhill in Les Houches, using the Kandahar chairlift (the top lift as opposed to the middle one as previously planned). Girls to race Slalom on Grand Bois (served by the Teleferique Bellevue) on Monday, then GS on the Kandahar on Tuesday. Boys, vice versa.

Please note that **Minis** will now race both days on the Grand Bois lift, with three runs of Giant Slalom and the best two times each day to count. Giant Slalom skis recommended. The first day's course is planned to be fast and open, with Tuesday's course to be a high tempo event with shorter radius GS turns.

Team captains' meetings and prizegiving as previously published.
