5th, 6th and 7th March 2010

Dear Masters,

A very warm welcome to our 22nd International British Kandahar Masters in Mègeve!

Last year's three races, which included our first ever Super G, were generally considered a great success. We have every intention of offering the triple this year as well!

But please note we have moved our calendar slot to March this year due to date collisions with the "Masters Winter Olympics".

The races will take place on the 5th, 6th, and 7th March and I'm confident that Mègeve will once again provide excellent Races for you all.

As an exception I will not be able to be with you this year. However I am delighted that my predecessor Elisabeth Hussey has come out of retirement to step in as President once again and she will welcome you with the rest of our team. Many of the older Racers will remember Elisabeth and will warmly welcome her back on our Team.

Wishing you successful races, good fun and excellent weather.

Chloé Hodler
