

SCOTTISH CHILDRENS CHAMPIONSHIPS 2010 & BAIRNS BUCKET 2010

Provisional programmes and acceptance lists have been posted along with this bulletin. Bib collection is advertised from 8:15 onwards but it is recommended that you plan to be in the car park by 8:00am as Cairngorm Mountain has been very busy this season.

Snow conditions are still excellent, the forecast (as of Wednesday 17th March) is for light winds and wet snow. This should allow the races to run as scheduled however **Children should come prepared for either discipline** in case weather precludes running the Giant Slalom. Should weather preclude any racing on Saturday the Bairns Bucket will be re-scheduled for Sunday.

The childrens races are run under international competition rules as amended by the BCR <http://www.gbski.com/rules.php> . It is the competitors responsibility to ensure that they comply with them.

Some parents will have already been contacted to help with the races, if this is not the case could you please make yourself known at bib collection as we may need more helpers to help with course slipping etc. I would like to thank all those who have already volunteered as without you the races cannot run.

Looking forward to some great racing.
