Miscellaneous/Divers/Verschiedenes					
<p>The published programme has had to be amended due to snow conditions. Les Arcs are doing their very best to accomodate us, given the lack of snow depth on the designated race courses and the number of tourists in the resort, so we are optimistic that we shall be able to run at least four or five events, even if they are not those which were originally scheduled. We thank everyone for their understanding and look forward to some good events.</p>
