## Snow conditions

As of today the Les Houches race pistes have good snow cover (20 cm) but the weather is too warm for proper grooming. As a consequence, the pistes are to remain closed during the Christmas week. Between Christmas and New Year there are snowfalls expected, along with cold enough weather for extensive snow making. If the forecast is accurate then the Anglo Scottish Cup will run as planned.

As race organisers we have enjoyed fantastic support from the local lift company and ESF over the years. The resort managers will make a final decision on the 30<sup>th</sup> December which we will announce along with programme details. Our colleagues are confident that it will not be necessary to move the races elsewhere. Nevertheless, in case of bad news we are preparing a contingency plan that would not oblige families to change accommodation arrangements.

For those familiar with Les Houches, we plan to use race pistes on Col de Voza and Noire du Maison Neuve. Since the Grand Bois piste relies on natural snow it is expected to be out of commission.

For the first day of racing there is a strong possibility that the Bairns & Lassies (U10/U12) will move up to the Col de Voza for a morning start on Slalom courses alongside the U14/U16 racers instead of competing on the village centre slope in the afternoon as originally planned.

## Back protectors

Back protectors are not mandatory at British Alpine ski races. As race organisers we recommend their use, especially for SuperG, but we understand that many young British racers choose not to use them, possibly for reasons of cost or flexibility/discomfort. To be clear, the use of a properly fitting back protector is encouraged for U16 and below but there is no British rule in force for the 2015 season that they must be worn at BASS events.

Merry Christmas to all,

Eddie Guest and Malcolm Erskine (tel 07970 495533), Anglo Scottish Cup organisers
