

ESC GRAND PRIX SERIES 2001

AGE GROUP CATEGORIES

Grand Prix Points are awarded to the first 5 males or females in each age group, who successfully finish a race, as follows:

1st place - 7 points, 2nd - 5 points, 3rd - 3 points, 4th - 2 points, 5th - 1 point

OVERALL MALE/FEMALE CATEGORIES

Grand Prix Points are awarded to the first 15 competitors of each sex, who successfully finish a race, as follows:

1st place - 24 points, 2nd - 21 points, 18, 15, 13, 11, 9, 8, 7, 6, 5, 4, 3, 2, 15th place - 1 point

Where two or more competitors in a category obtain identical times in a race, they will all receive Grand Prix Points appropriate to the tied position. Thus, if two competitors in the overall male category are 2nd equal, they both receive 21 points. The next competitor in the category (4th) receives 15 points.

In each Ranking List, each racer's Grand Prix Series Points will be calculated as the sum of their best three Grand Prix Race Points.

If two or more potential winners have the same number of Grand Prix Series Points at the end of the Series, they will be separated by referring to their 4th best GP Race Points and, if still equal, to their 5th best GP Race Points. If necessary, reference will then be made to the race positions (i.e. number of firsts etc.) in order to determine the final positions.

Competitors who have gained Grand Prix Race Points in only one or two races will be included in the final Ranking List.
